Easy Upgrade to Unlimited Subscription

- The standard subscription is for 24 months. Subscription starts from the first trade.
- If you open a trading account using our referral link to one of the 4 brokers that we use, then we will extend the subscription to unlimited subscription or to the lifetime of this service.
- This is an easy upgrade to lifetime subscription.
- We personally use these brokers and have no problem in trading and withdrawal.

Recommended Brokers

- You can use any broker as long as they run on MT4.
- Without saying, tighter spreads will always help your trading results but more importantly in this strategy is the use of a cent account or nano account.
- Try your luck...it does not cost you anything for trying.

Broker 1: XM

XM is our preferred broker. But due to different regulation in different regions, they might not be available for your country.

If you can use XM, this would be the best broker...

Do this First!

- Once you have your MT4 Account number, please send your MT4 account number to

PipStrategy@gmail.com

- We will add your account to our list of approved MT4 accounts and we will send you the files for you.
- It is recommended that you install the Pullback Sniper on a non-expiry demo account because every change in account number, we will have a nominal charge of \$10.
- XM.com and Tickmill.com are 2 good brokers that provide non-expiry demo accounts.
